City of Columbia
MUNICIPAL PLANNING COMMISSION
JULY 10, 2019

Discussion:

Gerald Vick, WES Engineers, representing Mahon Holdings, and Mr. Jimmy Campbell, representing Mahon Holdings were present to answer questions. A discussion was held on surrounding zonings, landscaping, material, location, appearance, and traffic. Councilman King made the motion to defer this item and give this project manager time to meet with his team to look at options for fencing. Mr. Goatz seconded the motion. Motion to defer passed with a vote of four to zero.

AGENDA ITEM #5

Case #19-0048

Request from Blake Kelley to rezone property off Mooresville Pike being Tax Map 99P Group D Parcel 16.00 from R-10 to R-6.

Staff Recommendation:

Mr. Keltner gave the details of the staff report.

Discussion:

Mr. Blake Kelley was present to answer questions. Mr. Anthony Green Councilman 3rd Ward presented questions on behalf of his area in reference to access roads which will be two. He asked for clarification of rezoning from R10 to R6. Mr. Keltner stated that an R10 zone is 10,000 sq. ft., and R6 is 6,000sq. ft. He also asked if the trees were replaced. Mr. Harper stated that trees were cut in violation, and they were reestablished. Mr. Andrea Bullock of Spring Dale Subdivision discussed concerns in reference to property values, duplexes, price point, tree clearing, and flooding events. Mrs. Evette Bullock expressed concerns in reference to property values, traffic, crime, flooding from neighboring development, and materials. She does not want vinyl homes developed, and also asked about the price point. Mr. Blake Kelley, the property owner, stated that a mistake was made taking down all the trees, but that was not his intent. He is trying to get back in compliance. Mr. Gerald Vick stated that they are trying to get in compliance and they have planted 430 trees in order to stabilize the site. Mr. Blake Kelley stated they were not building any duplexes, but single family homes, the cost will be between \$160-180,000 framed, and the homes will not be brick. He estimated \$1250-\$1450 monthly per house. His focal point is first time home buyers, and he feel the housing value in the area will go up. Further discussion was price point, storm water, stream bank, traffic, violence, material, traffic study, plan review, lots, and single family homes. Mr. Keltner explained that the next step is City Council; however, this Commission and City Council does not have the authority to require brick homes be built. This is residential and not a PUD. Mr. McBroom made the motion to amend the rezone request from R10 to R6, to R10 to RS-6 with Mr. Goatz seconding the motion. The motion passed four to zero.

OTHER BUSINESS:

- a. Mr. Curt Hoover 2879 Carters Creek Station Road, explained his concerns with the master plan abutting Dorothy Ann Barnett Subdivision and the ecstasies from Carter's Creek Station Road. Mr. Hoover presented a letter, and map for the Commission regarding concerns and questions in reference to the Homestead at Carter's Station development. Mr. Keltner stated Frye Road is not associated with this. Mr. Hoover read the letter in reference to four lots their irregularity, and inconsistency on a main road Carter Creek Station Road. Mr. Keltner stated that at one point the master plan showed the roadway coming out on Carters Creek Station Road, and they amended it in 2018. This commission turned the revision down, but at City Council discussion was dominated by the access to Frye road, and the conversation concerning the orientation of homes got lost. Until the Master Plan is modified any discussion would be limited. Kami Hoover 2879 Carters Creek Station Road expressed her concerns also. She stated it doesn't make sense what was done. Mr. McBroom stated that the commission is unable to consider anything until it comes back to them.
- b. Mr. Ray Pace spoke about the J turns in Mt. Pleasant, and how they work. He stated that Nashville Highway will need some type of project like this one.

City of Columbia
MUNICIPAL PLANNING COMMISSION
JULY 10, 2019

- c. Mr. Mark King- suggested the access to Baker Road and Highway 31 be right turn only.
- d. Mr. Talvin Barner 418-420 West 2nd Street, discussed his accessory structure, and it's location on his property. Mr. Keltner stated the two options would be to adjust property line or move the structure. Mr. Barner inquired about a variance to correct his issue per his discussion with Mayor Molder. One suggestion was to get a surveyor. This board cannot allow the structure to be on the property line. Mr. Barner discussed other scenario options and asked why those options would not work.

ADJOURNMENT:

Mr. Goatz made the motion to adjourn with Councilman King seconding the motion. Meeting adjourned at 6:09 p.m. with a vote of four to zero.
