The Planning Commission recommended approval of this request with a vote of 6-0 at their December 4, 2024 meeting with the conditions from the Planning Commission recommending:

Modification of the Planning Fee Schedule for Short Term Rentals requiring Conditional Use Approval with the Board of Zoning Appeals to be \$300 with staff approval of Short-Term Rentals being \$150.

City Council took this matter into consideration on January 9, 2025 and referred the item back to Planning Commission for further review and recommendation at the February 12, 2025 meeting.

*Planning Commission reviewed the request on February 12, 2025, and recommended the removal of the limited use standard (PL) of owner occupied in the currently allowed zoning districts for Short Term Rental Use. This allows the use in the CD-4, 4C, 5 and 5C districts. The accessory use table was left as originally

recommended to council with the majority of districts allowing the use outright and/or through the conditional use process. This recommendation was approved by a vote of six to zero.
